

# Preschool Quality Improvement Plan Summary

## Beachport Preschool

Goals	Challenge of Practice	Success Criteria
<p>To extend children's ability to share their ideas and knowledge, and listen and build on the ideas of peers.</p>	<p>If we incorporate strategies for sustained shared thinking alongside and with children, then we will extend children's ability to share their ideas and knowledge, and listen and build on the ideas of peers.</p>	<p>Analysis of pedagogical documentation will show that children are regularly:- giving cues that they are listening to peers - communicating their thinking with others - interacting with others to clarify and challenge thinking - negotiating and sharing new understandings</p>
<p><b>National Quality Framework Priorities</b></p>		
<p>Build educator capacity in preschool literacy curriculum and pedagogy</p>		<p>All educators to complete Plink course on sustained shared thinking All educators to complete Orbis Preschool Literacy course</p>
<p>Improve parent and family understanding of the learning program.</p>		<p>Parent information session Educators to provide information on Google Doc, Seesaw, handouts and in Newsletter</p>
